UNITHERM
FOOD SYSTEMS, INC.

Micro Spiral Chiller

FLEXIBLE
- Freeze, Chill
- Time, Temperature and Fan Speed Control
- Recipe Selection
- Custom Belts and Machine Sizes

PROFITABLE
- Reduced Chill/Freeze Time
- Reduced Evaporative Yield Losses
- Energy Efficiency
- Less Downtime

CLEANABLE
- Hot Steam Sterilization
- C.I.P. System
- Inline Belt-wash
- AMI Sanitary Design Approved

EFFICIENT
- Freon, Ammonia, or CO2
- High Velocity Air
- Linear or Spiral Applications Available

Uniform Freezing Across the Belt
Belt Widths: 16”, 24”, 30”, 40”, 42”
Capacities: 100 -20,000 kgs/hr

RELIABLE
- 304, 14-gauge Construction
- Stainless Steel Belt, Drives, Shafts, Motors
- American Made, CE Approved
- Ethernet Support
